A deep, authentic neighborhood packed with old-town culture, "senbero" gourmet, and history.

Tateishi, known as the holy land of "senbero" — where you can enjoy drinks and snacks for just 1,000 yen — is a deep, exciting town rich with the retro atmosphere of the Showa era. Near the station, you'll also find a statue of Genzo Wakabayashi, a popular character from Captain Tsubasa, making it a fun walking spot for fans of the series.
